

BLACK POWDER RIFLE MATCH

**Sunday, March 14th, 2010
9AM to Noon**

**TRI COUNTY GUN CLUB (www.tcgc.net)
Pistol Range No. 2
Hazelhurst, IL**

This black powder rifle match is small, informal, and friendly. It is fired “off-hand” at 25 yards, and consists of about 20 rounds, fired at 4 different paper targets. Chili, and snacks are served in the clubhouse after the match.

The match is open to all T.C.G.C. members, and to the public, without charge. We supply all of the targets and backstops. You don’t have to be an accomplished muzzle loader to participate. This is an ideal match for beginners to polish their technique, and become acquainted with black powder competition in a relaxed atmosphere.

Please call Pete Nagel at 815-732-1249 if you plan to participate, so that we can be sure of having a sufficient number of target positions set up.

ALL TRI COUNTY GUN CLUB RANGE SAFETY RULES APPLY

This match is traditionally shot using antique style flint lock, and percussion muzzle loading rifles of any caliber. This year we are going to include “In-Line” actions, providing that they load from the muzzle, use patched round ball, and employ fixed open sights.

PATCHED ROUND BALL only, no slugs or sabots.

Fixed open sights only (if yours are adjustable, that’s Ok, just don’t adjust them during the match). No peep sights, scopes, red-dots, or lasers.

Black Powder, or Pyrodex type black powder substitutes only.
